Summary

As a Certified Shopify Developer and seasoned Front-End Developer with over 7 years of experience, I specialize in creating robust, scalable e-commerce solutions and dynamic web applications. My expertise spans across Shopify, BigCommerce, WordPress, and the MERN stack, allowing me to deliver high-quality, customized solutions for a diverse range of clients. Currently serving as a Senior Developer, I have successfully managed and optimized over Shopify stores, demonstrating my strong leadership, project management, and technical skills. I am passionate about leveraging my technical expertise and innovative mindset to drive business growth and enhance user experiences.
